

Once upon a time, there were two poodles named Mimi and Gigi.

Gigi

Mimi

Mimi was a short gray poodle with big black eyes and fluffy long ears. Gigi was a furry black poodle with very long legs.

Mimi and Gigi were from the same litter, which made them sisters, but they were very different. For instance, Mimi was very prim and proper and acted like a cat. She did not like to get her fur wet or dirty. She only wanted to play outside when the weather was perfect. Mimi's motto was, "No rain, wind, hail, sleet, or snow. Only sunshine at 70°"
